### **Emit**

- Timing and punching are done with Emit card.
- You can rent Emit card from info (20 €/week or 5 €/day. Rental Emit will be returned to finish on the last day of participation. 85 euros will be charged for a lost Emit card. The use of Emit card is also mandatory in open classes (everyone is recorded on and off from the terrain)
- The use of the Emit card used in the competition classes in the open classes is forbidden on the same day.
- Change of the Emit card number takes place in info.

- You can use Emit backup card in open classes (if there is no electronic punch, punches are checked from backup card). Backup cards are available at the start.

**Do this:**

1. When you come to Fin5 competition center go to info.
2. If you have Emit card, bring it with to info. In the info you will get a bib number, which is attached to the shirt with your own safety pins. It is indicated in the number bid which days you are registered to.
3. If you have already registered and paid for the day and received number, you do not need to visit info.
4. Go to the start (START 4) with your bib number and Emit-card. Guidance to start begins from guide post.
5. Choose a course and tell it to organizer. The organizer will record your course and start time.
6. Start timing by punching with 0-Emit unit (zero unit). Take the map from the bucket with the track ID of the track you have chosen.
7. Run your course and punch the last control of the Open series (code 222) and follow your own signs to the finish line. You must punch at finish line. **You must ALWAYS register for the finish - even in the event of an interruption.**

**Finish will be closed** one and half hour after latest possible start time. Except at Tuesday sprint finish will be closed one hour after last possible start time.

**Draws prizes**

- In open classes prizes will be drawn. You can get those when you arrive to the finish.

**Results links** will be published on the web pages. Total results for the week are not calculated in open series.
